CENTER STAGE

COMPACT, COMPLETE SOUND AMPLIFICATION SYSTEM

Loud and clear!

CENTER STAGE is everything a home party organizer, musician, small band, or venue needs to deliver big, powerful sound to their audience. This complete sound system consists of two self-powered speakers with stands, a built-in mixer, microphone, cables and all of the necessary accessories to make the system work.

The easy-to-transport speakers output full, rich sound thank to the system's 50 watts of power. You can plug microphones, guitars and other instruments, and iPod or other music players into CENTER STAGE's inputs. CENTER STAGE comes with an 1/8"-to-RCA cable so you can easily plug in your iPod,[illegible] phone, or CD player.
